

## Disclaimer Notice

Warning: Information in this package is provided without liability and without responsibility for its accuracy. VicRoads accepts no liability for any loss incurred by anyone relying on information in this package (including a statement that no information is recorded about any matter) or on the absence of information about any matter. The information is provided from VicRoads records and is based on information received from past and present registered operators, police, interstate road and traffic authorities, insurers, security interest holders and other people required or authorized to supply it. Part 4 is a certificate issued under s.24 of the Chattel Securities Act 1987. It is not a certificate of title. Any information in Part 4 concerning security interests registered in Western Australia or Tasmania may not be accurate and should not be relied on. To ascertain whether a security interest is registered in Western Australia or Tasmania, you should contact the relevant authorities in those States.
